

## **Unity of Harrisburg Sacred Service of Tithing**

Unity of Harrisburg is a Spiritual Community that believes in, teaches, and practices the Spiritual Sacred Service of Tithing. We believe that Tithing is a physical expression of our Gratitude for all our blessings.

We feel that our leadership should also be committed to the practice of Tithing to ensure continuity and a unified consciousness. There are no “tithing police” at Unity of Harrisburg. This practice is between you and the Divine.
