# One Step at a Time

A silhouette of a person with their arms raised in a gesture of praise or prayer, set against a bright light source that creates a starburst effect in a blue sky. The text is overlaid on the image.

**There is within us a presence –  
the Christ light – Divine  
Presence – God in us – that is  
always with us, moving us in the  
direction of our highest good.**

# Dancing with the Divine

*“It is important to  
rely on our own  
inner knowing  
rather than accept  
the dictates of outside  
authorities, particularly in  
matters of Spirit.”*

# How Does Spirit Lead?

# Recognizing Spirit

A painting depicting the Burning Bush. In the center, a large, bushy plant is engulfed in bright, intense flames that appear to be consuming it. The fire is rendered in vibrant yellows, oranges, and whites, with a glowing, ethereal quality. The bush itself is dark and skeletal, with some green leaves visible at the base. The background shows a vast, arid desert landscape with rolling hills and mountains under a hazy, purple-tinged sky. The overall style is that of a classical or religious painting.

Exodus 3:2**
