“As Spirit Leads”

Rev. Julie Vance

One Step at a Time

A silhouette of a person with their arms raised in a gesture of praise or prayer, set against a bright light source that creates a starburst effect in a blue sky. The text is overlaid on the image.

**There is within us a presence –
the Christ light – Divine
Presence – God in us – that is
always with us, moving us in the
direction of our highest good.**

Dancing with the Divine

*“It is important to
rely on our own
inner knowing
rather than accept
the dictates of outside
authorities, particularly in
matters of Spirit.”*

Myrtle Fillmore

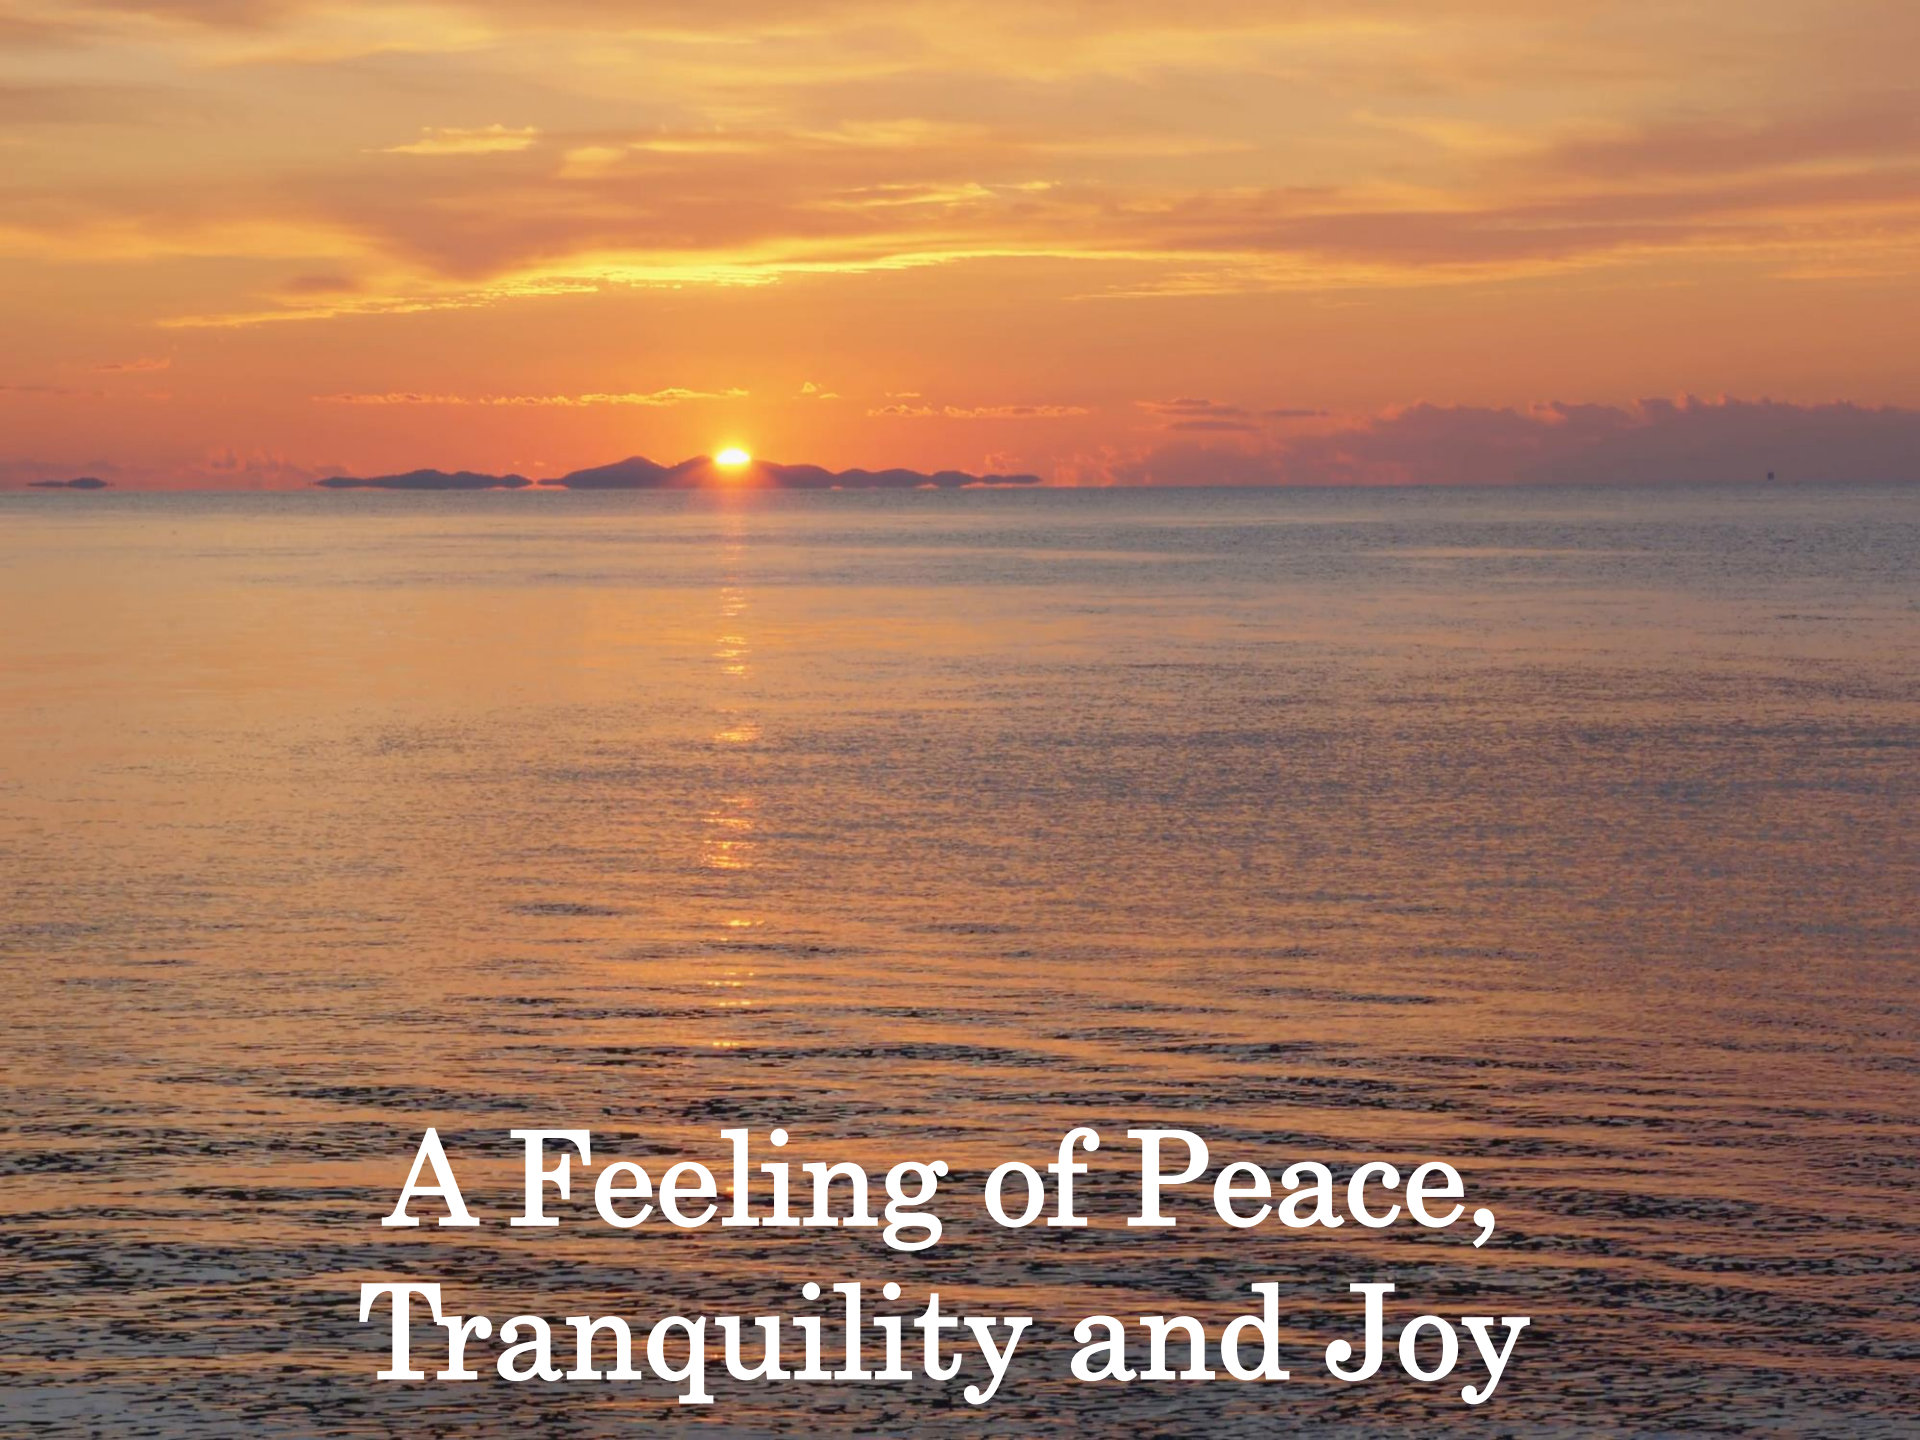

How Does Spirit Lead?

Recognizing Spirit

A detailed oil painting of the Burning Bush. The central focus is a large, bushy plant with dark, gnarled branches and dense, bright yellow and orange flames rising from it. The fire is intense and appears to be consuming the bush. The background shows a vast, arid desert landscape with rolling hills and mountains under a pale, hazy sky. The overall style is realistic with visible brushstrokes and a rich color palette.

Exodus 3:2**
